**Using Technology for Velocity:  
The Evolution of Artificial Intelligence  
within Procurement**

HOSTED BY

## **Chris McAuley**

### **SAS Fraud & Security Intelligence, Global**

Chris has 31 years of experience in the Fraud and Security Intelligence industry, and is a chartered accountant with a background in software development. He has worked on client engagements in Europe, the Middle East, Africa, Asia and in North and South America.

Chris started his career in 1986 with Andersen Consulting and lead their Financial Services practice in the Middle East from 1995 - 2000. In 2000 Chris left to co-found MA Partners, a specialist data analytics consultancy, and remained with the Firm until it was sold in 2008 to Detica P.L.C, a FTSE 250 company specializing in data analytics and risk management. Chris joined SAS in 2010.

Chris enjoys the outdoors and is an experienced offshore sailor.
